March Madness!

This month we are continuing our travels through the ocean by studying seahorses, sand dollars, tuna fish and urchins. Did you know the male seahorse carries the eggs in his pouch until they are ready to hatch? We tested this out by carrying 10 beanbags through an obstacle course to deliver the "eggs" safely. We are also working on life skills such as dish washing, laundry and grocery shopping. This is a great opportunity to get the kids involved with these skills at home!

Number Rhymes

We use these rhymes to help the kids form their letters.

Round and round just like an "O"
Now you've made the number zero

Start at the top and down you run
That's the way you make a one

Make a candy cane and give it a shoe
That's the way you make a two

Around a tree and around a tree
That is how you make a three

Down and over and down once more
That's the way you make a four

Short neck, belly fat
Mr. Five wears a hat

Make a "C" then in you go
Now you've made a six you know

Across the sky and down from heaven
That's the way you make a seven

Make an "S" and then don't wait
Go back up and make an eight

Make a circle then a line
That's the way you make a nine

We Will Miss You!

Best wishes to the Lopez-Nielsen family on their move to Texas.

We will miss you Gabriella but you will make one cute cowgirl!
