Dear tenth grade confirmation students,

As you know last spring we were not able to hold our traditional Affirmation of Baptism Service at Immanuel. I was deeply disappointed to postpone this important event in the life of your faith journey. Please know, we have not forgotten about you! Considering all that is happening in the world, we are looking to hold the Affirmation of Baptism and possibly combine it with the current ninth grade students sometime in the spring or summer of the year 2021, or as soon as we are able to safely host the service. We will announce possible dates as we are able.

In light of this, you have a little extra time to complete your faith statements if you have not done so yet. Your mentoring and confirmation program is officially completed. The last step for some of you is to finish the faith statement. All faith statements will be due by November 1st of this year. If you need another copy of the rubric, please email me.

From now on your Faith Formation will take the form of SHYN! Make sure to watch for future opportunities for the Immanuel senior high youth from Alyssa.

God's Peace,
