## Camp Create

### A ministry of Immanuel Lutheran Church

**Camp Create is a warm and caring Christian environment for your 2 year old to practice spending time away from parents or other caregivers – a great “baby step” towards preschool! Kids will spend time playing together, hearing stories, participating in art, music and movement activities, and share a snack together.**

Children must be 2 prior to beginning classes at Camp Create. We have two class options to choose from: Mondays & Wednesdays or Tuesdays & Thursdays. All classes are from 9:15 – 11:15 am. Our school year will begin the week after

Labor Day & continue until the week before Memorial Day, following the Eau Claire School District calendar.

To register your child, turn in this form and at least 1-month tuition (this will be applied to your child’s account.) You will receive confirmation of enrollment via email upon acceptance, and a Welcome to Camp Create packet in early August.
